

We are committed to providing premium support services with our factory technicians to ensure your equipment performs at the highest level. We are the exclusive Original Equipment Manufacturer's Sales and Service office for the Mid-Atlantic region.

START-UP SERVICES

Need a hand getting things started? We offer a range of start-up services to get you going.

ONGOING PRODUCT TRAINING

We provide hands-on, factory certified training for all products Ward-Boland sells.

PREVENTIVE MAINTENANCE

Why wait until there's a problem? Our team can help identify areas of weakness and prevent breakdowns.

PARTS REPLACEMENTS

We'll provide you with any replacement parts you need on an ongoing, as-needed basis.

THERMAL UPGRADES

We'll upgrade your thermal management systems to ensure top efficiency and save you money.

COMMISSIONING ASSISTANCE

Demonstrate operation of equipment and confirm proper optimization and functionality.
